

# 8th & 9th Grade Honors English Application

**Course Description:** Honors English is a course offered to 8th & 9th graders. In the course we study all of the topics and standards covered by regular English courses, but we move faster, go in more depth, and cover additional topics of study. This is *perfect* preparation for students who would like to take Honors and AP courses in high school.

**Before applying:**

- You need to be motivated in order to excel in this course.
- This class is *not more homework*, we move quicker and go deeper.
- There is a summer reading assignment.
- Not sure if this is the right fit? Check with your English teacher! Ask them if they think this class would be a good fit for you.
