***Requires signature from teacher**

Parents and Students

Please choose your classes wisely. Even though we allow some changes to elective course at the start of each semester, there is no guarantee that there will be space available if you choose to add a class later. There is a greater chance of getting into the class that meets your educational plan if you make it a request now.

~Your Counseling Team~

Student Signature: _____ Parent Signature: _____

Your signature indicates approval for the year.

This is your student's educational plan. Please choose carefully. Changes are difficult to make.
